Tell us, who is Ava J?

Ava J is a sexy, free-spirited, wild, ambitious girl who wants to do so much in life, loves to travel and she's very determined whatever Ava wants, she gets it by all means.

How does it feel to be the cover girl for this issue?

It is a great honor to be on this cover. Some of the best have graced the covers of SHOW magazine such as: Draya Michele, Brook Bailey, Erica Mena, Cyn Santana, Tahiry, and the list goes on. I have been a fan of the magazine for years, and to be in it, and on the cover, is an awesome experience.

How did you become to be so comfortable in front of the camera?

I've always loved taking pictures, I would get out the shower & pose sext for my man and next thing you know it would turn into a mini photo shoot lol and when I'm in my mood I don't look at the camera it just feels like I'm in my mirror.

How did you get your start modeling?

I got started doing runway modeling then I eased on over to the more sexier urban side and I've been loving it ever since.

What does it feel like to look a camera in the eye?

It's a feeling that's indescribable I love being in front of the camera, it's when I feel the most sexiest.

Describe yourself in 3 words.

I am naughty, spontaneous and free.

What's your favorite body part? Why?

My favorite body part is my boobs! I just love them, they get me out of so much trouble haha.

HAIR STYLIST: Kiafa Renee, @WeaveBarnNYC

MAKEUP ARTIST: Seqoiya, @pureglam0ur

BOOKING INFO: Ms.rosado@yahoo.com

Visit: www.SHOWGirlzExclusive.com for exclusive images and video from this issue.

Sophia Rosado was born and raised in the Bronx. She started modeling at the age of 17yrs old. In the beginning she did a few fashion shows where it all started that landed many gigs. One of many Sophia became a spokes model for Kim Kardashian energy drink "Fever USA". Not to mention she has been in major music videos as well. Also Sophia worked with Hennessy as a Brand Ambassador & has been booked for lead model in G-Unit video "Come Up". Sophia also worked with Fat Joe, Jennifer Lopez & French Montana "Stressin" music video as well. Throughout all she has done, Sophia does not plan on stopping here.

What is your most sexy outfit to sleep in?

On a sexy night usually I love to sleep in my baby dolls outfits from Victoria's Secret. However, if I'm just on chill mood I like comfort as well so cute boy shorts & tank top with no bra will complete my night. Not to mention I'm nude most of the night lol

What kind of woman are you?

I'm a sensual kind of woman. I like to take my time when it comes to relationships. I'm also the kind of girl who caters to my man. I'm that ride or die girl who you can always depend on. I got your back even if you messed up a few things & vise versa. I don't give up on things easily and will fight til the end.

Name is your best assets that makes you feel beautiful & sexy?

I would have to say my legs. I'm a tall woman & I embrace my height. Most girls don't like being so tall but I enjoy it. I'm a bit of a tomboy as well but when I wear a short dress my long sexy legs stand out. I walk lot as well so I make sure they are in fit. I treat my legs the 2nd best thing in life lol. I make sure to lotion them 3 times a day for softness before I get to bed.

Are you a cooking kind of woman, if so what you enjoy making?

Always enjoy cooking whether is breakfast, lunch or dinner. One of my favorite hobbies is to see my man enjoying a cooked meal. Either he's watching/ helping me in the kitchen, I have lots of fun. My favorite dish I love making is lasagna.

Hello, my name is Brittany also know as Bella Baby, please say the baby. I am from Atlanta, GA and I was introduced to modeling as a young child when I began pageants. At the age of 19 I completed my very first photo shoot and have been hooked every since then. I have done a few music videos, television shows, commercials and have been featured in Hip Hop Weekly, Upscale, Ebony and a few others...I have always wanted to become a show girl, because I feel my look is different. I want to show everyone that beauty comes in all shapes and sizes.

I am the CEO of Bella Dior, LLC, an online boutique based in Atlanta. I recently launched a make up line as well, Bella Dior Cosmetics. I have dreams of opening a physical space and expanding my cosmetic line, as well as continuing to excel in modeling! Everyone has a talent mine just happens to be beauty, brains, and Hustle!!

If someone was in the next room and you were about to be initiate, would it make you nervous or excited?

Yes I would be nervous, believe it or not, I'm actually kind of shy.

What is your favorite sexual setting?

My favorite sexual setting is at night time, with candles and incense burning, slow rap jams playing, in a nice comfy bed.

Would you ever make a porno with your bf/gf?

Yes I would but only with my boyfriend, and it would only be in our possession.

How many sexual partners have you have in the last month?

0 unless my fingers or toys count ;-)

*H*ello everyone,
My name is Olivia Desiree. I am a very sweet sexy type of woman. But I am also very bossy and about my business. The best of both worlds if you ask me. I hope that you enjoy these pictures and my interview as much as I do. Plan on seeing a lot more of me because I plan to see more of you.

What is your nationality?

I am German, Jamaican, and Cuban.

What are your biggest turn on's?

I love a man that is ambitious and about his business. I love a leader, a passionate lover, and an honest man. I really don't ask for much, life to me is about the little things.

What are some of your hobbies?

I love to cook and read books. I love being in front of the camera and being sexy. I love anything outdoors; I'm a very adventurous girl.

What is your fantasy?

To actually like and vibe with a man enough to sleep with him on the first date.

What are your turn off's?

Being lazy, and being okay with staying in the same place for too long. I believe in moving forward in life and any man that is stagnant for too long is not really my type of man.

How long have you been modeling and how did you get started?

Couple months to a year, I got started by actually doing some runway shows in Dallas.

Who are your influences?

Lola Monroe, Draya Mitchell and Cyn Santana are some of the few women I adore in the industry.

Describe a defining moment for you in your career.

I'm an upcoming model, I admit I haven't reached that peak yet, hopefully I will soon ;)

What sets you apart from the rest?

My personality, my ambition, my drive and I am a woman of many talents, modeling being on the top of the list.

How would you describe yourself as a person?

I am sweet as hell, with a little bad girl in me.

Ok, what are the industry's pros and cons for you?

Cons: "everyone wants to be a model, it makes it harder for people to take you seriously as an aspiring model." Pros: "if you have star quality, you'll make it, and I believe I do"

What do you enjoy doing on your spare time?

Getting drinks with my girls, I'm social butterfly I love having a good time.

Are you in a relationship, and what's your sexual preference?

No, I'm single and all I need is consistent dick, just kidding but yeah I only date men.

What can we expect from you in 2015?

My Big break, this may be new to me and because I know how much I want it, 2015 is my year to archive my modeling dreams getting in the industry.

I'm new to the industry, but being a part time bartender and stylist are exposing me more and more to it everyday, and I know it's something I'm ready to take by storm.

What inspired you to get into this industry?

I was actually inspired from the people around me. I've always had people tell me to try and, "be a model," but I never took it seriously until recently. I'm also very comfortable with my sexuality and what better way to express that then a little lingerie modeling ;)

How long have you been modeling?

It started as something my mother got me into when I was young, but once I got older & had to focus on college/work I had less and less time to pursue it, now it's something I'm definitely glad to revisit.

What sign are you?

I'm an Aries. We are passionate, have a lot of energy, and love being in control *wink*

Who is your favorite Showgirl?

Jessica Burciaga! Gotta love a girl who's beautiful both inside & out, & such a go getter!

What's something people may not know about you?

I DJ! More as a hobby then a profession, but music is something I've always been into.

Black Lingerie

*M*y name is Miss Niagrafallz aka Kimu, and I started modeling at the age 23. I was known for the exotic, wild, colorful dread locks and sexy classy yet risqué photos. I have always been known as the slim chick with the dreads. As the years went on I was approached by an owner of a Big DJ coalition through MySpace and began modeling for them for a few years. During that time period I started getting tattoos making myself a Human canvas to spice up my crazy style. I must say it worked out for me, I would do various of photo shoots and music videos here and there. My first magazine ever was with Dj Kayslay for straight Stuntin magazine actually 2 issues, Feds, don diva and a few tattoo magazines and I am thankful for that. I've worked my behind off to make a name for myself, some people hated it but some people loved it. A few years later I decided to comb my dreads out, stop modeling and go after something else. That failed but it just made me come back into the modeling industry better than ever.

I must say things happen for a reason. It didn't stop my flow it just made me a better person more so refreshed! As time went on, I came across this guy, his company NWEMG reaching out for help. He came through and assisted me with everything I needed help with when he didn't have too. He asked me to join his company and of course my answer was yes!!!! So, I thank Mistacoop for allowing me to bless his company and I thank him for getting things done as a stranger at the time and now friend/Manager should have.

Since being with Nwemg I've done Ink masters season 4 the Nude edition, 2More Straight Stuntin issues. (And of course now Show Magazine) I've done Music Videos (yeah ok and GTF0H) by the owner himself mistacoop. I'm also working on a big project so stay tuned on that. All of this couldn't have been done without him. May God bless that man (all smiles)

It's so much more I would like to write but I don't want to sound all emotional lol. I am just thankful for everything that's been coming my way. I am blessed I love all my supporters and I am grateful for this SHOW Magazine spread. I appreciate everyone around me, and remember, don't take life for granted ;) I hope you enjoy my SHOW magazine spread just as well as I do. I've always been a big fan of this mag and I'm truly grateful for this opportunity. Thanks again Sean you rock!!!!

I'm available for hosting, music videos, calendar shoots, video shoots, promotional modeling and bartending.
